

so that much of the affected lowlands continued under water since December, such as the island tracts of Liberty and Prospect in the Yolo Bypass. The ultimate losses in these areas will depend on how soon the waters permanently recede so that crops may develop.

Estimated flood losses and savings, January 1941

River and basin	Tangible property	Matured crops	Livestock and other movable farm property	Suspension of business	Savings
<i>East Gulf of Mexico</i>					
Pearl River ¹		\$100	\$3,100	\$7,000	\$8,700
<i>West Gulf of Mexico</i>					
Sulphur River.....	\$200		300	2,000	5,000

¹ December and January.
